STATEMENTS & ADDITIONAL INFORMATION (continued)

- “Caregiver” means an adult person with whom a minor resides, including a grandparent, stepgrandparent, stepparent, aunt, uncle, or any other adult relative.
- The decision of a relative caregiver to authorize or refuse educational services or health care treatment for the child shall be superseded by a decision of the child’s parent(s), de facto custodian, guardian, or legal custodian.
- An affidavit does not give a caregiver the status of a de facto custodian, guardian, or legal custodian of the minor.
- A caregiver is required to notify any health care provider or school to which the affidavit was presented if the minor ceases to reside with the caregiver or if the affidavit is revoked by the minor’s parent(s), de facto custodian(s), guardian(s), or legal custodian(s).
- This affidavit can do nothing to prohibit a health care provider from providing health care treatment for a condition that, left untreated, could reasonably be expected to substantially threaten the health or life of the minor.
- Authorization is valid for one (1) year and may be renewed annually unless revoked by the minor’s parent(s), de facto custodian, guardian, legal custodian, or caregiver.
- A person who knowingly makes a false statement shall be subject to criminal penalties.
- Nothing within this document is intended to serve as legal advice; all parties should seek legal advice from an attorney with any questions related to this document.
