

Join Kentucky Youth Advocates as a

Health Youth Ambassador

to be part of a statewide cohort, learn about advocacy and policy, address social determinants of health through policy change, and advocate for yourself and your peers on health-related issues.

Your one-year cohort will:

- Meet peers from around the state
- Attend 2 in-person, overnight retreats in September and February
- Attend 2 virtual meetings in December and April
- Participate in youth-led community research to develop policy solutions
- Participate in **advocacy activities** during the legislative session and throughout the year

- ✓ Write blogs
- ✓ Engage on social media
- ✓ Record videos
- ✓ Testify in committee hearings
- ✓ Activate your peers
- ✓ Meet with legislators
- ✓ And more!

Applications
due 8/15
New cohort
begins Sept.
2022

Are you a high school student interested in health-related policy and advocacy work?
