alerts.

Present the "state of kids" to communities to help people know how children are faring and how to address problems.

Help families through our case advocacy program and serve as their guide when they don't know where to turn.

As the lobbyist for kids, we work with legislators, the governor, and other elected officials to change and enact policies to benefit kids and families.

Engage youth by training the next generation of leaders to advocate for themselves and their communities.

Kentucky Youth Advocates believes all children deserve to be safe, healthy, and secure. As the independent voice for Kentucky's children, we work to ensure policymakers create investments and policies that are good for all children.

HOW WE ADVOCATE FOR POLICY CHANGE

When policy is good for kids... **We support it!**

When policy is bad for kids... We work to improve it!

When policy is missing...

We create it!
