### Sponsorship Opportunities

Bounce builds the resiliency of children, adults, and families by improving knowledge about the impact of adverse childhood experiences (ACEs) and the skills to help people bounce back from adversity.

Bounce Grand Rounds is a community learning opportunity where professionals hear a case study about children who have struggled with adversity and collaboratively brainstorm interventions and resources that can change the trajectory for those young people. These events take place twice a year and build professional skills and connections among community members who care about the future of kids and their families.

We are committed to keeping Bounce Grand Rounds events inclusive and free—and this is only possible with the support of our sponsors.

  - Recognition in Bounce emails promoting Grand Rounds
  - Logo on Bounce website
  - Prominent social media promotion
  - Included in follow-up email to attendees

Backbone support for Bounce is provided by Kentucky Youth Advocates, the state’s independent voice for kids.
Kentucky Youth Advocates believes all children deserve to be safe, healthy, and secure. As the independent voice for Kentucky’s children, we work to ensure policymakers create investments and policies that are good for all children and help amplify the voices of kids and families across the commonwealth.

We also conduct research and education that informs and recommends solutions to help kids and families succeed, and we present the “state of kids” to communities to help people know how children are faring and how to address problems. We mobilize advocates to take action on behalf of kids and families through rallies, advocacy trainings, partnerships, and action alerts. We help families through our case advocacy program and serve as their guide when they don’t know where to turn. And we engage youth by training the next generation of leaders to advocate for themselves and their communities.

With thousands of materials distributed and event attendees, hundreds of media stories, and more than a million social media impressions each year, Kentucky Youth Advocates is working to make Kentucky the best place in America to be young.

Help us make an impact.

As we connect with advocates, we invite businesses, foundations, and community partners to join us in building a brighter future for Kentucky kids. Corporate sponsors are essential partners in our work. Sponsorship benefits include logos on marketing materials and social media promotion, and some include speaking opportunities, VIP invitations, mentions in press releases, and more.

Your organization can help us achieve our mission while meeting your own corporate responsibility goals. With funding from grants and fees for service, we can have an even greater impact on Kentucky kids and families.

Your organization’s products or services can also help us in our work. Whether you provide supplies, data, expertise, or something else entirely, you have the opportunity to help us lift up and empower Kentucky communities.
**Sponsorship Packages**

**Children’s Advocacy Week Sponsor**

This event-filled week features in-person and virtual gatherings, opportunities to connect with legislators, and leadership activities for youth. More than 1,000 advocates participated in 2022, which also made a large media splash. Sponsors help us mobilize advocates for the Day at the Capitol, host legislator Q&As, recognize champions for children, and much more.

**Kentucky Kids Count Sponsor**

Sponsors of the Kentucky KIDS COUNT project make it possible for thousands of advocates, child-serving professionals, legislators, and more to access an annual report card for kids. That data – available through the County Data Book, General Assembly Calendar, and beyond – advances the well-being of kids across the Commonwealth.

**Oral Health Sponsor**

Kentucky Oral Health Coalition (KOHC) is a group of concerned citizens, advocates, and professionals working together to improve oral health across Kentucky. Sponsors help KOHC provide an annual statewide convening that brings together a diverse and large number of leaders in the oral health community to increase dental awareness, develop strategies to improve oral health, and increase access to care.

**True Up Charrettes Sponsor**

True Up Charrettes Sponsors help us offer events where foster care alumni and those who work with foster youth can share valuable updates around their work, benefit from a space for collaboration, and learn about opportunities to help improve the foster care system.

**Bounce Grand Rounds Sponsor**

Bounce Grand Rounds is a community learning opportunity for professionals to hear a case study about children who have struggled with adversity and collaboratively brainstorm interventions and resources that can change the trajectory for those young people. Sponsors allow us to keep Bounce Ground Rounds events, which build skills in professionals and connections among community members who care about the future of kids and their families, free and inclusive.
