

Join Kentucky Youth Advocates as a

Health Youth Ambassador

to be part of a statewide cohort, learn about advocacy and policy, address social determinants of health through policy change, and advocate for yourself and your peers on health-related issues.

Your one-year cohort will:

- Meet peers from around the state
- Attend 2 in-person, overnight retreats in September and January
- Attend 2 virtual meetings in December and April
- Participate in youth-led community research to develop policy solutions
- Participate in **advocacy activities** during the legislative session and throughout the year

- 
- ✓ Write blogs
 - ✓ Engage on social media
 - ✓ Record videos
 - ✓ Testify in committee hearings
 - ✓ Activate your peers
 - ✓ Meet with legislators
 - ✓ And more!

Are you a high school student interested in health-related policy and advocacy work?
