

A Bloom Kentucky Summit

TOGETHER WE BLOOM

Exhibitor Opportunities

Bloom Kentucky invites businesses, corporations, government agencies, and community partners to join us as exhibitors at the **Together We Bloom Summit on May 7th, 2025 in Shelbyville, Kentucky.**

This statewide convening will bring together community leaders, policy makers, and advocates for a one day summit to connect, learn, and identify solutions to help cultivate positive childhood experiences through practice and policy across the Commonwealth.
