

THE CENSUS AND YOU

FOCUS GROUP FOR ADULTS IN EASTERN KENTUCKY

Join Foundation for Appalachian Kentucky and Kentucky Youth Advocates for a focus group about participation in the U.S. Census.

We are seeking engaged community members from Kentucky's Appalachian counties to gain insight into:

- ✓ What motivates people to complete the Census.
- ✓ Concerns people likely have about participating.
- ✓ Other barriers to counting all Kentuckians.
- ✓ Ideas to reach and count everyone.
